

I am a single mother of two, working long hours at work and home. I have been on the do not call list since it began. I can not tell you what a real relief it has been to not to get all of those annoying calls while I'm trying to cook dinner, help with homework, or just spend quality time with my children. If you let these banks have their way, I will not be the only one interrupted, YOU WILL BE TOO! So, please help keep peace in our homes as everyone enjoys.

Thank you in advance,
Lori Lindsey
